* Why might the guide price be different to my final bill?

1. The price you'll pay for products is the price of the product on the day of delivery / collection across both online and in store purchases.
2. Between placing an order and having it delivered there may be new promotions or other price changes on products in your basket - you will be notified online if you do not qualify for promotions.
3. Loose produce (eg. Fruit and vegetables) is charged by weight so it is chosen by quantity of produce - the price can vary as the weight of the product does.
4. Pre-packed, weighed items like meat, poultry and cheese may also result in a slight variation in price.

If you're not happy with the price of any items, simply return them to your driver for a full refund.

Changed your mind

We'd like you to be happy with everything you purchase from Tesco. Should you change your mind about your purchase, please return the product with your proof of purchase, within 30 days, and we'll happily offer a replacement or refund. There are some products for which we cannot accept change of mind, or may not offer you a full refund - full details can be found in our [Returns Policy](#). Our Returns Policy is in addition to and does not affect your legal rights, including your right to return faulty products.

If you change your mind about any item in your order, simply hand it back to the driver at the time of delivery or member of staff when using Click+Collect. You may also return items to any Tesco store. We ask that perishable food items are returned within their use by date. Please also let us have the tags, labels and any accessories.

Please note, that we may not provide you with a full refund if you have handled the goods beyond what is necessary to establish the nature, characteristics and functioning of the goods.

Your refund

If you've handed the item(s) back to the delivery driver or a member of staff when using Click+Collect, we'll arrange for a refund. If you return it to a store, you can choose either a refund or an exchange. We'll refund your money in the same way you paid for your product, and no later than 14 days after you return the item.

If you have any questions, please contact our customer helpline on 0800 323 4040 from a landline, or 0330 123 4040 from a mobile, 7am to 11pm Monday to Saturday and 10am to 6pm Sunday.
